

Occupational Health and Safety Policy*Health and Safety at Work Act 1974 – Section 2*

Taziker Industrial will control its activities to avoid causing unnecessary or unacceptable risk to the safety and health of all employees, visitors, temporary workers and the general public.

The objects of this policy are:

1. To promote standards of health, safety and welfare which complies with the requirements of The Health and Safety At Work Act 1974 and supporting statutory provisions, regulation and approved codes of practice applicable to the company's operations and activities in so far as reasonably practicable.
2. To develop health and safety awareness and individual responsibility for health and safety matters.
3. To provide all employees and agents with the necessary equipment, information, training and supervision they need to work safely.
4. To maintain a healthy and safe working environment for employees with adequate facilities and arrangements for their welfare.
5. To consult with employees in matters affecting health and safety and promote feedback from personnel.
6. Establish and maintain measurable objectives and targets for safety performance and regular review of these objectives.
7. Commitment to continual improvement of the health & safety management system, together with Safety Leadership.
8. Develop and maintain a Behavioural Based Safety Programme that will improve and mature the safety culture within the business and that of its workforce and suppliers.
9. Embrace and integrate the Life Saving Rules within the business and promote them within our supply chain; utilising a fair culture in response to breaches.
10. Ensuring that this policy is communicated and understood at all levels throughout the organisation.

This Policy will be reviewed annually to ensure that it reflects current legislation and regulations.
